Here are 10 quick tips to help you and your loved ones to stay safe this season:

-  Avoid travelling late at night. **01**
-  Avoid protests and large gatherings. **02**
-  Try to complete your transactions during the day and avoid using ATMs when it is dark. **03**
-  Be careful when giving strangers a lift; if possible, avoid this for now as this is often a disguise. **04**
-  Memorise the contact details of at least one trusted friend or family member. **05**
-  For effective travel management, check travel routes ahead of time and always ensure you use the security lock when inside a vehicle. **06**
-  Be as discreet as possible when making calls in public spaces. **07**
-  Do not physically resist any robbery attempt by armed criminals, it's best to be cooperative. **08**
-  Ensure valuables such as cash, laptops, phones, handbags and more are kept out of sight, especially when in transit. **09**
-  Try to keep a low profile so as not to attract the wrong attention. **10**
