

You can count on your Retirement Savings Account (RSA)

0

The amount of the tax you will pay on your mandatory RSA.

2

The Law allows you to have one RSA which automatically comes with TWO options! The first is the mandatory account while the second is the voluntary account. Did you know you can make some extra savings with your voluntary contributions?

4

The Multi Fund structure for investing your RSA is divided into 4 Funds. The difference in each fund is based on your age and risk appetite.

8

The minimum monthly **employee** contribution to your RSA is 8%.

10

The minimum monthly **employer** contribution to your RSA is 10%.

25

You can withdraw 25% of your RSA balance if you have been out of job for at least 4 months.

50

The Golden age you have to attain in order to access your pension benefits upon retirement.
