

You can count on your Retirement Savings Account (RSA)

0

The amount of tax you will pay on your mandatory RSA

2

The law allows you to have one RSA which automatically comes with TWO options. The first is the mandatory account while the second is the voluntary account.

6

The Multi Fund Structure for investing your RSA is divided into 6 Funds. The difference in each fund is based on your age, risk appetite, employment status and ethics

8

The minimum monthly **employee** contribution to your RSA is 8%

10

The minimum monthly **employer** contribution to your RSA is 10%

25

You can withdraw 25% of your RSA balance if you have been out of a job for at least 4 months

50

The golden age you have to attain in order to access your pension benefits upon retirement
